

PREVIOUSLY MINED / PERMITTED

The proposed 6.74 acres of haulroad HR1 and the area of the proposed stockpile and parking area, were previously permitted on the following permits, Westmorland Coal Company, PN 1400239, Released 12-14-1999 and Commonwealth Mining Corporation, PN 1401799, Released 11-17-2011. Previous mining in the area consists of un-reclaimed haulroads, which are now used to access gas wells. Contour mining created a mine bench, highwall and spoil outslope. Currently the land use classification is Agricultural-Rural Residential.
